Tax

He specializes in handling and resolving complex tax situations, developing strategies to optimize taxpayers' tax burden. Brandon specializes in the practice areas of, among others, mergers and acquisitions, spin-offs, and corporate restructuring processes at entities with operations worldwide.

Brandon has a Degree in Law from Universidad Nacional Autónoma de México and a Diploma in International Trade from Escuela Libre de Derecho .

Experience

Brandon Rodríguez is an associate in the Tax practice. He has extensive experience in handling tax procedures, including the optimization of the tax burden, negotiations with the administrative authorities and the monitoring of tax refunds. He also advises various associations on the process to obtain authorizations to receive deductible donations, and designs defense strategies in proceedings before the tax authorities.

Brandon actively participates in consultations and negotiations with the administrative authorities, and in the processing and monitoring of income tax and value added tax refunds.

He is also involved in procedures related to obtaining authorizations for different associations to receive donations that are deductible for income tax purposes.

Furthermore, Brandon has accumulated significant experience in planning and implementing defense strategies before the tax authorities and courts.
