Banking and Finance

Antonio Morales Mutis is a partner in Garrigues' Banking and Finance practice area.

He has extensive experience in different kinds of financing operations, at both national and international levels, advising creditors, debtors and sponsors in energy projects, infrastructures projects and acquisitions matters. He advises many Chilean and foreign entities on a regular basis on banking matters, having been involved in processes for the formation of banking companies in Chile and engagements relating to other banking regulation and compliance matters. He has also been actively involved in the provision of advisory services on matters relating to insurance

He studied law at the Faculty of Law of Pontificia Universidad Católica de Valparaíso and qualified as a lawyer in 2008, obtaining the award for "Best Graduate". He obtained a Master of Laws degree from University of Southampton in 2009.

He has been recognized by Chambers & Partners Global; Chambers & Partners Latin America; Legal 500; IFRL 1000.
