Administrative and Constitutional Law

Planning, Zoning and Environment

Energy

Julian Lozano is senior associate in the Infrastructure and Public Law practice, where he practices mainly in advising public entities and private companies in government procurement, and structuring infrastructure projects under public-private partnership schemes, in the sectors of mass transportation, road and airport infrastructure, health, among others. Likewise, he participates in the review of regulatory aspects associated with energy generation and transmission projects.

Experience

Julián Lozano has been a senior associate in Garrigues' Infrastructure and Public Law practice since 2022, a firm he joined in 2017.

Academic background

- Law Degree. Universidad del Rosario.
- Postgraduate studies in Contract Law. Universidad del Rosario.
